

Job Title : **Executive, Quality**

Business Entity : Advanced Cell Therapy and Research Institute, Singapore (ACTRIS)

Overview

The [Consortium for Clinical Research and Innovation, Singapore](#) (CRIS) brings together five national R&D, clinical translation and service programmes to advance clinical research and innovation for Singapore, and establish important capabilities for a future-ready healthcare system.

The Business Entities under CRIS include:

- [Singapore Clinical Research Institute](#) (SCRI)
- [National Health Innovation Centre](#) (NHIC)
- [Advanced Cell Therapy and Research Institute, Singapore](#) (ACTRIS)
- [Precision Health Research, Singapore](#) (PRECISE)
- [Singapore Translational Cancer Consortium](#) (STCC)

Together, CRIS makes a positive difference to Singapore patients and researchers by ensuring that these clinical research platforms and programmes are at the cutting edge of capability development and innovation. If you are as passionate as we are in clinical trials and research, we want you!

The Advanced Cell Therapy and Research Institute, Singapore (ACTRIS) aims to be the national and regional centre of excellence for facilitating discovery, process development and manufacturing of cellular-based therapeutics.

ACTRIS is looking for experienced individuals who are keen to drive organisational vision and strategy in the exciting field of cell therapy for the role of **Executive, Quality**.
