Job Title : **Temp, IT**
Business Entity : Consortium for Clinical Research and Innovation

Overview

The [Consortium for Clinical Research and Innovation, Singapore](#) (CRIS) brings together six national R&D, clinical translation and service programmes to advance clinical research and innovation for Singapore, and establish important capabilities for a future-ready healthcare system.

The Business Entities under CRIS include:

- [Singapore Clinical Research Institute](#) (SCRI)
- [National Health Innovation Centre](#) (NHIC)
- [Advanced Cell Therapy and Research Institute, Singapore](#) (ACTRIS)
- [Precision Health Research, Singapore](#) (PRECISE)
- [Singapore Translational Cancer Consortium](#) (STCC)
- [Cardiovascular Disease National Collaborative Enterprise](#) (CADENCE)

Together, CRIS makes a positive difference to Singapore patients and researchers by ensuring that these clinical research platforms and programmes are at the cutting edge of capability development and innovation. If you are as passionate as we are in clinical trials and research, we want you!

About CRIS

The Consortium for Clinical Research and Innovation Singapore (CRIS), a wholly owned subsidiary of MOH Holdings, was established in 2020 with the goal of strengthening synergies and promulgating strategies for national-level clinical research and translation programmes under the stewardship of the Singapore Ministry of Health. The former Singapore Clinical Research Institute Pte Ltd was repurposed to form CRIS which brings together five entities as business units under a common management and governance structure. These are the Singapore Clinical Research Institute (SCRI), the National Health Innovation Centre (NHIC), the Advanced Cell Therapy and Research Institute Singapore (ACTRIS), the Precision Health Research Singapore (PRECISE), and the Singapore Translational Cancer Consortium (STCC).

What you will be working on

- Migrate existing static website(s) to a new Content Management System (Isomer), including laying out webpages with text and images
- Work closely with Corporate Communications and IT teams to launch the website(s)
- Communicate constantly with colleagues across CRIS business units to develop and deploy their website content, and establish clear project timelines and deliverables
- Maintain and update website(s) after launch
- Knowledge of Markdown language would be a plus
- Knowledge of best practices in web user interface design would be advantageous

Consortium for Clinical Research and Innovation, Singapore Pte Ltd (Reg No: 200812355Z)
CRIS is a wholly-owned subsidiary of MOH Holdings
23 Rochester Park, #06-01, Singapore 139234 | Tel: (65) 6508 8300 | Fax: (65) 6508 8317
